

# Manas Sharma

Web and Software Developer

---

+91 9452737817 • manasmalsss@gmail.com • LinkedIn • LeetCode

Computer Science undergraduate with experience in full-stack web development and software engineering. Strong foundation in Data Structures & Algorithms, scalable application development, and modern web technologies.

---

## Experience

### Web Development (Freelance)

Jan 2025 – Feb 2025

*Shudh India*

- Developed a complete online food catering platform from scratch including menu selection, ordering workflow, payment integration, and responsive frontend design.
- Integrated Firebase for real-time database management and streamlined customer order processing.

## Education

### Pursuing B.Tech in Computer Science and Engineering

BML Munjal University

Expected 2029

CGPA: **9.21** (as of Semester 2)

Class 12 (PCM + CS) : 90.6%

Class 10: 91.6%

## Projects

### Handwritten Digit Recognition using Neural Network

- Developed a neural network using TensorFlow to classify handwritten digits (0–9) on the MNIST dataset.
- Achieved a test accuracy of **97.45%** by training and evaluating the model using deep learning techniques.
- Tech Stack: Python, TensorFlow, Keras, NumPy.
- Link: [View Project](#)

### Online Catering Service Platform

- Built a full-stack catering application with ordering and payment workflows.
- Tech Stack: HTML, CSS, JavaScript, Firebase.
- Link: [View](#)

## Certifications

- **Supervised Machine Learning: Regression and Classification**  
DeepLearning.AI & Stanford University (Andrew Ng)  
[View Certificate](#)
- **C++ for Beginners** — Newton School of Technology  
[View Certificate](#)

## Technical Skills

**Languages:** C++, Python, JavaScript

**Frontend:** HTML, CSS

**Libraries:** Pandas, Numpy, Matplotlib, Tensorflow, Langchain

**Developer Tools:** Git, GitHub

Core CS: Data Structures & Algorithms, OOP

## Open Source Contributions

---

### Elite Coders Winter of Code 2026

Dec 2025 – Mar 2026

- Successfully merged **40+ pull requests** across open-source repositories and achieved an **All India Rank of 114 out of 5000 participants**.
- [View Certificate](#)

### GirlScript Summer of Code 2026

- Selected contributor for GirlScript Summer of Code (GSSoC) 2026.

### GitQuest — ACM Club

- Secured **3rd Position** in a hands-on Git & GitHub competition focused on repository workflows, local development, and pull request contributions.

### Open Sourcing 2.0 — SCIMAT Club

- Selected among the **Top 5 Contributors** for demonstrating practical open-source collaboration and GitHub workflow skills.

## Achievements & Problem Solving

---

- Solved **250+ problems** on LeetCode using **C++**, covering arrays, linked lists, trees, graphs, dynamic programming, stacks, queues, and searching/sorting.
- Developed strong algorithmic thinking and optimization skills through consistent problem-solving and practical software development.
